Subject: RE: Planning Application APP/21/00601 Portsmouth Water HQ, Land north of Solent Road, Havant

Dear Mr Eaves,

Planning Application APP/21/00601 Portsmouth Water HQ, Land north of Solent Road, Havant

Thank you for your consultation. I would draw your attention to the archaeological desk based assessment which has been submitted which I would endorse to you. The desk based assessment recognises that the site has a high archaeological potential, that is the potential to encounter archaeological remains which are as yet unrecorded, and concludes that some archaeological mitigation would be appropriate. In its conclusion, para 7.4, it states "It would be reasonable to expect that (Havant's archaeological advisors) may recommend a programme of archaeological investigation to confirm the extent and significance of archaeological remains on site. This would probably be a programme of evaluation by trial trenching initially followed by further works to be determined by the results of the evaluation".

I would concur. I would recommend that a two stage approach be adopted with a preliminary archaeological survey, known as an evaluation, and follow up mitigation based on the results of that survey.

I note that para 6.142 of the planning statement indicates that the evaluation is currently being carried out and a report will be submitted during the determination period. I welcome this. It will be very helpful to have the results of the evaluation available prior to the determination of the planning application in order that both the applicant and the planning authority are satisfied that they understand the implications of any archaeological burdens which might arise.

I look forward to reading the evaluation report in due course and to finalising my consultation advice in the light of that report,

Yours sincerely

David Hopkins
County Archaeologist

This email is a consultation request regarding a planning application, reference APP/21/00601. The attached letter contains contact details should you wish to discuss the application with the Case Officer.

To see the details of the application and associated documents on Havant Borough Council's Public Access pages, follow [this link](#).

If you require any further information please email planning.development@havant.gov.uk or telephone (023) 023 9244 6549.

Notes for Consultees using Consultee In Tray on Public Access

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
