Dear Sir/Madam,

Proposal: Application to determine whether prior approval is required for telecommunications cell site and compound to include installation of a 17.5m monopole, shrouded antennas, 3No. cabinets and development ancillary thereto.

Site: APP/21/00555: - Eastern Road SW, Havant, PO9 2QZ.

Thank you for your letter dated 03/06/2021.

Southern Water has no objection to above proposal.

The impact of any works within the highway/access road on public apparatus shall be assessed and approved, in consultation with Southern Water, under a NRSWA enquiry in order to protect public apparatus. Please send these enquiries to: Developer.Services@southernwater.co.uk

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
