Dear Sir,

320-322 London Road, Waterloooville, PO7 7DU

Installation of an internally mounted tv screen in shop window.

Thank you for consulting the Highway Authority on the above planning application. The Highway Authority wish to make the following comments.

The applicant is proposing to install 1.1m X 0.6m internally mounted and illuminated TV screen with illuminance levels of 270 cd/m². The Highway Authority can confirm that the illuminance levels are acceptable and will not provide a distraction to road users and vehicles.

Having regard to the above, the Highway Authority can confirm that the above planning application will not have a detrimental impact on the wider highway network and therefore provide no objections.

Yours faithfully,

Sophie Osborne
Assistant Transport Planner - Highways Development Planning
