Dear Sir,

Camp Field (land to the west of Havant Crematorium), Bartons Road, Havant

Application to determine if prior approval is required for a proposed formation of a Private Way for Agricultural Use.

Thank you for consulting the Highway Authority on the above planning application.

The proposed access road is to be accessed from the junction with Bartons Road which will be improved as part of the planning permission granted under reference APP/19/00007.

The access track is located off the highway but will be hard surfaced and kerbed to cater for agricultural vehicles which currently access the fields to the north via the existing field gate.

Given that the works are located off the highway and the agricultural use will not be intensified as part of the proposed development, the Highway Authority raise no objection to the principle of development.

Yours sincerely,

Chris Hirst
