Planning Application APP/21/01310 Tournerbury Woods, Tournerbury Lane, Hayling Island

Change of Use of land and woodland (retrospective) as a wedding and events venue, including retention of permanent ancillary buildings and structures, the erection of removable structures (including marquees and temporary facilities), and the use of the land as a campsite in association with events.

From a landscape perspective, given the site is not visible from public view or indeed is deemed to create a negative impact on the existing character of the area we have no adverse comments in relation to this application.
