Dear Sir/Madam

Consultation Copy

**Addition of mechanical ventilation and solar control glazing, and window frame repairs to improve internal classroom environment
at Warblington School, Southleigh Road Havant PO9 2RR (Listed Building & Planning Application)**

I wish to consult your council on the above Planning (Listed Building and Conservation Areas) Regulations 1990 which is to be **determined by the Secretary of State**. I have already forwarded to you copies of the application documents for placing on the Planning Register.

Details of the applications can be viewed on the Strategic Planning website at:

<https://planning.hants.gov.uk/Planning/Display/HCC/2021/0425>
<https://planning.hants.gov.uk/Planning/Display/HCC/2021/0424>

The case officer for the application is Tim Felstead. If you have any queries do not hesitate to contact them.

It is proposed to deal with the application by 6 September 2021 under the Councils development control delegation arrangements in the event no material planning objection has been received.

I would appreciate you advising me of your Council's views on the application by **17 August 2021**. If I do not hear from you by that date I will assume that you have no comments to make.

Yours faithfully
