Dear Selina,

APP/21/00883 | Retention of Salt Shack Cafe and external terrace area. | Salt Shack Cafe, Northney Marina, Hayling Island, PO11 0NH 21.1011

Thank you for consulting me on this application. Thank you for your patience.

The café has been operating for over a year within this well-developed site. I have no concerns in relation to the ecological impacts of the building footprint. I would also raise no concerns in relation to impacts from additional recreational pressure the café is situated within an active marina and is not immediately adjacent to areas of designated marine habitats.

If you have any queries please dont hesitate to contact me.

Kind regards,

Tristan
