Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We have no objection to the extension and placement of the air conditioning units themselves but the external trunking and water pipes connected to the air conditioning units on the west facing wall are very unsightly and not in character with the rest of the building they are white in colour if they were painted black like the fascia boards, guttering and down pipes they would blend in better.
