CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

Dear Recipient,

Thank you for consulting on this application- we have no adverse comments to make on this application from a groundwater quality protection perspective, due to the small nature of the development and no proposed deep excavations works. The site is located on London Clay Bedrock, located within the Source Protection Zone 1c (SPZ1c) for an essential Public Water Supply Source. The SPZ1c relates to subsurface activity only, where the Chalk aquifer is confined and may be impacted by deep drilling activities. Subterranean activities such as deep drainage solutions and/or piling may pose a risk to groundwater quality and the local public water supply source.

Portsmouth Water have no further comments to make on this application.

Kind Regards

Catchment Management Team
Portsmouth Water

Subject: [EXTERNAL] Planning Application APP/21/00979 19 Princes Drive, Waterloooville, PO7 7QN

This email is a consultation request regarding a planning application, reference APP/21/00979. The attached letter contains contact details should you wish to discuss the application with the Case Officer.

To see the details of the application and associated documents on Havant Borough Council's Public Access pages, follow [this link](#).

If you require any further information please email planning.development@havant.gov.uk or telephone (023) 02392 446530.

Notes for Consultees using Consultee In Tray on Public Access

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
