Dear Sir,

210 Dunsbury Way, Havant, PO9 5BQ

Erection of end of terraced dwelling, including single storey front and rear extensions to 210 Dunsbury Way, with associated parking and access for 210 Dunsbury Way and the proposed dwelling

Thank you for the re-consultation and submitting further documents for the above application. The Highway Authority would like to make the following comments.

The applicant should be made aware that should the lamppost and bollard have to be removed in order to facilitate the dropped kerb then further prior approval will be required before the work can be carried out.

Furthermore, as previously requested, the Highway Authority require the dimensions of the visibility splays at both proposed drop kerbs as well as the proposed length of both dropped kerbs. Information on visibility splays can be found using the following link:
[Microsoft Word - TG3 Technical Guidance Note - Stopping Sight Distances and Visibility Splays \(A1001001A17F05B10508J50123\)1.docx \(hants.gov.uk\)](#)

The Highway Authority therefore require the additional information before a formal recommendation can be given.

*Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI*

Yours faithfully,

Sophie Osborne
Assistant Transport Planner - Highways Development Planning
