Comments

This development has no associated parking provision despite a requirement for 10 spaces to be provided. If permitted, changes to the existing on street parking restrictions will need to be considered as a result and a Traffic Regulation order required to be undertaken in the near vicinity. The Traffic Management Team request that provision is made for a sum no less than £3000 to be provided by the developer to be set aside to allow a TRO be processed within a three year period of the construction of the development.
