Hi David,

Following our call earlier today we are happy to agree an extension of time until Friday 1st October 2021 for the above.

We have erected the tree protection fencing in readiness, therefore is the council's tree officer available to inspect this on Friday afternoon? Our tree consultant will be available and the site manager at a time suitable to the tree officer. We are really keen to keep the process moving as you can appreciate given the timescales involved.

I am happy to liaise direct with the tree officer to get this underway if you can provide their contact details.

I am also available to answer any questions the EHO may have on the updated information in your absence.

If you are able to confirm safe receipt of this email it would be appreciated.

Kind regards, Natalie.
