On Behalf Of: County Ecologist

Comments

Dear Lesley,

APP/20/00610 | Replacement sheet piled quay wall with concrete capping beam (approved 26.2.21). Request to discharge condition 12 (14.4.21) | Sparkes Marina, 38 Wittering Road, Hayling Island, PO11 9SR 21.0558

Thank you for consulting me on this application.

The amended Construction Environment Management Plan (CEMP) revision 2 (Sienna, May 2021) now includes further details on the role and responsibilities of the Ecological Clerk of Works (EcOW), including the specific work tasks for which EcOW attendance is required.

The CEMP is sufficient for the discharge of condition 12.

If you have any queries please dont hesitate to contact me.

Kind regards,

Tristan
