**Town and Country Planning (Development Management Procedure) (England) Order 2015
Discharge of Conditions Application**

Application Number: APP/17/01324

Site Address: Dunsbury Park, Fitzwygram Way, Havant, PO9 4EE

Description: Variation of Condition B6 of Planning Permission APP/15/00732 to remove restriction on proportion of B8 floorspace allowed within the Dunsbury Park development, and thus provide for a maximum mixed use floor space of 61,779sqm within Classes B1, B2 and/or B8 of the Use Classes Order 1987 as amended.(13.12.18).Request to discharge conditions A3, A5, A10, A11, A12 & 13, A14, A17 & 18 and B10 (03.12.20).

This decision relates to your request to discharge conditions which was valid from 03/12/2020.

Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/17/01324.

The following conditions are part discharged:

A3. Phasing Plan & Schedule

Prior to the commencement of any development hereby approved a phasing plan and schedule shall be submitted to and approved in writing by the Local Planning Authority to show how the full development of the site is to be carried out in numbered phases, and this plan and schedule shall be updated as phases are subsequently divided, subdivided or amalgamated and each updated version shall be submitted to and approved in writing by the Local Planning Authority. The phasing plan and schedule and any updated version shall include all of the following information:

- i) The location of each phase
- ii) The quantum of the development of each phase (size of the site or floorspace of buildings)
- iii) Any elements of Sustainable Drainage (SUDS) to be provided within each phase and how these will connect to other drainage downstream or upstream of each phase with a timetable for the provision of drainage relative to each phase
- iv) The provision of access to each phase, including any phased provision of the Access Link Road, the bridge over Hermitage Stream, bus gate (including vehicle turning space), bus stops and shelters, paths and cyclepaths and other new access roads, with a timetable for the connection of the Access Link Road to Woolston Road and for the provision of access roads relative to each phase
- v) A timetable for the provision of ecological mitigation and provision of new habitat relative to each phase

- vi) A timetable for the provision of a Habitat Creation Area
- vii) A timetable for the provision and completion of open space and landscaped areas, including publicly accessible open space relative to each phase

Development shall only be carried out in accordance with the approved phasing plan, schedule and timetable or any approved updated version unless otherwise approved in writing by the Local Planning Authority.

Reason: To ensure a co-ordinated and comprehensive form of development in which interdependent elements of the overall development are planned for and timetabled. It also allows flexibility by means of updating of these phases and timetabling as detailed plans for the site emerge. This is important in delivering a high quality and properly planned form of development having due regard to policy CS18 of the Havant Borough Local Plan (Core Strategy) and the National Planning Policy Framework 2018.

Phasing Plan Update November 2020

B10. Drainage Plans and Information

Prior to the commencement of each phase of development within the Reserved Matters Area:

- i) Details of foul water drainage along with written confirmation of the agreement of Southern Water shall be submitted to, and approved in writing by, the Local Planning Authority, and
- ii) Sustainable surface water drainage (SUDS) scheme with supporting technical information shall also be submitted to and approved in writing by the Local Planning Authority to explain how the scheme is in conformity with the SUDS Masterplan and supporting technical information approved under condition A2 of this notice of permission. Unless otherwise approved in writing by the Local Planning Authority, each SUDS scheme shall include a change scenario (i.e. information showing that alternative drainage solutions and their impact have been tested), and
- iii) Details of the timing for the provision of the surface water SUDS scheme and foul water drainage, and
- iv) Details of future SUDS management and maintenance arrangements including proof of adequate financial provision and a named body responsible for management plus production of a detailed management plan.

Each approved foul water plans and surface water SUDS drainage shall be fully implemented, in accordance with the approved timing arrangements, or within any other period as may subsequently be agreed, in writing, by the Local Planning Authority, Furthermore all surface water SUDS drainage shall be permanently managed and maintained in accordance with the management and maintenance arrangements and provisions approved under this condition

Reason: To prevent flooding by ensuring the satisfactory storage of/disposal of surface water from the site. To ensure that the access bridge will not increase flood risk to the site or to off-site areas and to ensure that there is sufficient foul water drainage capacity within the sewage network to deal with the waste water supply from the site having due regard to policies CS15, CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework, 2018.
