

32 New Lane Local Bus Times

205452/N09

Introduction

1. Vectos has been retained by Kingsbridge Estates to provide highways and transport advice in relation to the re-development of former Pfizer Site, New Lane, Havant.
2. A Supplementary Transport Assessment (STA) was prepared by Vectos (dated July 2021) which has now been submitted to the local authority. The bus times included within the STA have been queried by Havant Borough Council (HBC) and it has therefore been necessary to review this information.
3. This Note has therefore been prepared to provide clarification on the number and frequency of bus services operating near the proposed development site at 32 New Lane, Havant. The source of the bus service information is also provided for information.

Bus Services

4. The nearest bus stops to the site are the 'Flexford Gardens' bus stops and the 'Dunhurst Close' bus stops which are situated approximately 40m apart on St. Albans Road to the west of the site (approximately a 2-minute walk).
5. Both stops provide a pole and flag arrangement and are served by routes 20 and 21. The 'Flexford Gardens' stop is also served by route 641 in addition. A summary of the frequency of services for these stops is set out in **Table 1**.

Table 1: Local Bus Services

Number	Route	Frequency
20	Portsmouth – Cosham – West Leigh – Havant	2 per hour (in each direction)
21	Portsmouth – Farlington – West Leigh - Havant	2 per hour (in each direction)
641	Purbrook (Oaklands School) Leigh Park – Denvilles – New Brighton – Rowlands Castle – Southbourne	1 per day (school service)

6. The 20 and 21 services provide access to the residential areas to the west of the site and the neighbouring city of Portsmouth, in addition to Havant town centre and the amenities provided there.
7. Information on the frequency of service of the 20 and 21 buses has been sourced online from the stagecoachbus.com website. The timetable information across the day for both services is provided at **Appendix A** of this Note.
8. The 641 service is operated by Portsmouth City Coaches. Information available online has indicated that this service will be discontinued.

Summary and Conclusions

9. This Note provides a summary of the frequency of bus services in proximity of the proposed development site at 32 New Lane, Havant.
10. The 20 and 21 bus services route between Portsmouth and Havant providing two hourly services in each direction from bus stops near the site.
