Dear Sir,

20 Queen Street, Emsworth, PO10 7BL

Replacement of existing landscaping at the front of the dwelling and minor landscaping within the garden in place of existing shed.

Thank you for consulting the Highway Authority on the above application.

The only change to the current layout in highway terms relates to the provision of double gates across the existing parking space. Drawing number 20186-02 demonstrates that the gates will open internally to the site which is considered acceptable. The gates must not open onto the public highway and the Highway Authority should be informed if this were to be the applicant's intention.

Based on the information provided, the Highway Authority raise no objection to the proposed development.

Yours sincerely,

Chris Hirst
