5. Description of Your Proposal

What was the original application type?

Outline planning permission: Some matters reserved

For the purpose of calculating fees, which of the following best describes the original application type?

- ☐ Householder development: Development to an existing dwelling-house or development within its curtilage
- ☒ Other: anything not covered by the above category

6. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

NMA to remove documents/plans that are no longer relevant/applicable from the approved list (condition #3)

Are you intending to substitute amended plans or drawings?

☐ Yes ☒ No

Please state why you wish to make this amendment

A number of documents and plans approved under condition #3 of both OPP (HBC & EHDC) continue to refer to 72 dwellings and a specific layout. In requiring accordance with the approved documents, Condition #3 (in its current form) unreasonably impacts on the deliverability of the development. Therefore, the NMA is necessary to enable the current application for the remaining RM to proceed without breaching condition #3 of the OPP. In addition, there are several approved documents and drawings which have no relevance to the OPP insofar as they contribute no mitigation strategy or specific requirements for delivery, or are in conflict with the principles of OPP and RM. It is considered that the deletion of selected documents and plans is not material to the overall OPP.

7. Site Visit

☒ Yes ☐ No

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
