For the attention of Mr D Eaves

Good afternoon

With reference to the below re-consultation request for this planning application, we have no further representations to make at this time. Please refer to our original advisory letter dated 07 October 2020.

I would however like to take this opportunity to remind both yourself and the applicant that blocks of flats more than 11m in height will require a sprinkler system. If deemed necessary, the opportunity should be taken to revise plans and include provision for a sprinkler tank at the earliest opportunity.

Kind regards

Philip Turnbull EngTech GFireE
