Subject: RE: Woodcroft Farm Planning Application APP/13/00804 Condition 22

Hi David

Please see response below from Gemma Richards dated on 23 July 2021:

Dear Paige

Thank you for your patience in waiting for a response from Environmental Health. I have reviewed the acoustic report that has been provided to comply with the second part of condition 22 of the above application and I have no adverse comments. The section of the condition which relates to noise can be discharged.

Regards

Gemma

Please note that I am currently working away from the office. I am best contacted via email, however you can also contact EHDC Environmental Health via ehhealth@easthants.gov.uk or 01730 234360, and HBC Environmental Health via ehhealth@havant.gov.uk or 02392 446670.
