Comments

Dear Steve,

APP/21/00536 | Part alternative to permission APP/17/00207. Construction of vehicular track from the public highway to Tournerbury Woods Estate for the purpose of avoiding agricultural operations in Tournerbury Farm. | Tournerbury Farm, Tournerbury Lane, Hayling Island, PO11 9DL 21.0733

Thank you for consulting me on this application.

The application is required due to works carried out to implement the previous agreed access track route. The part-built track has not been constructed in accordance with permission APP/17/00207.

Overall I would not wish to raise any overriding ecological concerns. The measures proposed for tree protection appear to cover the most likely potential ecological effects. The track as proposed passes between well-established hedgerows before passing into Tournerbury Woods and I consider it unlikely therefore that this would present issues with the surrounding Low Use Solent Waders & Brent Goose Strategy site.

If you have any queries please dont hesitate to contact me.

Kind regards,

Tristan
