Dear Sirs,

157-157C London Road, Waterlooville

Construction of additional storey over existing store building to create a one-bedroom, one-person flat, storage building to be altered internally to create cycle store.

Thank you for the consultation for the above application. The Highway Authority would like to make the following comments.

Due to there being no changes to the existing access, the Highway Authority have no objections to this application. A trips analysis indicated that this would result in a similar level of trips associated with the site which is acceptable in this instance.

Parking is a matter to be considered by Havant Borough Council as the Local Planning Authority to make sure the proposed parking falls into their adopted standards. Additionally, this applies to cycle storage, but the highway Authority note that additional cycle storage provided and have no concerns with this.

Yours sincerely,

Zara Rogers
