Note:
All drawings to be read in conjunction with all other drawings as noted on issue sheet.

All existing signage to be removed and discarded as McDonald's PM instruction. Any fixing holes, electrical cable penetrations etc to be made good, flush with surrounding finishes.

All surfaces that are to be re-sprayed, must be firstly treated with suitable primers as agreed with the McDonald's PM, prior to receiving new paint finish.

Drive thru booths including Servo-side to be clad in timber effect alu panels full height with inset break strips and curved corners. Alcoves in between booths are to be clad in full height alu panels finished in khaki green ref. RAL 6015.
