Re: Crown reduce 1No. Oak by 4m, subject to TPO 2044.

Dear Mr Steele,

I write to you in relation to the application (Application reference: APP/16/01145) at the above address for works to an Oak tree (TPO 2044). However having made a site visit to the tree, the requested reduction of 4m would be excessively detrimental to the health of the tree and it's aesthetic quality. We would recommend cutting back to the previous pruning points, which would be recommended as permitted. Would you be happy for us to amend your current application with this adjustment so that the application can be approved? Please could you email your response.

Yours sincerely
