Dear Sirs,

46 Salterns Lane, Hayling Island, PO11 9PJ

Demolition of stand alone garage and construction of side extension with integral garage, first floor and loft accommodation and a single storey extension to rear.

Thank you for the consultation for the above application. The Highway Authority would like to make the following comments.

The Highway Authority are unable to provide a recommendation at this time. More information is required regarding the changes to the access. It is noted that the plans show there is an extension to the access. However, the existing length and the proposed extension to the length of the access should be included on the plans.

Furthermore, it is recommended to the applicant that they should be made aware that subject to any planning permission being granted by the Local Planning Authority, a subsequent agreement will need to be granted by HCC as Highway Authority to undertake the works on the Highway. Details of this procedure can be found via the following link <https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours sincerely,

Zara Rogers
