

Front Section of House [Existing]

New Rafter [1980's]

Existing Link

No lathe and plaster –
all chipboard inserts

New Rafter [1980's]

Non structural –
rests on the floor
boards and can be
moved

Front Section of House [Proposed]

Red shaded area denotes extent of link between the two roof spaces

Proposed Stair to Rear Section

Floor in rear section. The existing floor joists and floor boards are relatively new. Introduction of stair will create no loss of historic fabric.

Existing plastered ceiling to where proposed stair will be located. No loss of historic fabric.
