

David,

I understand that you are the case officer for our non-material amendment application at the above address, relating to amendments to Condition 2 plans approved (changes to elevational treatment of Buildings 1000 and 4000 (APP/21/00926).

Following submission, we have noted that the proposed cycle storage adjacent to the new entrances had not come through on the PDF copy of the drawings and therefore have corrected this error on the attached.

Accordingly, I would be grateful if you could please substitute drawings PL_004c and PL_120 with the attached PL_004d, PL_120a. I have included PL_121 again for completeness.

I would be grateful if you could please confirm receipt.

Kind regards,

Dan
