

K NIGHT A RCHITECTURAL D ESIGN

Change of use 335 Milton Road, Waterloooville

335 Milton Road is currently and A1 unit which serves as surplus storage space to Costcutters at 337-339. The unit has existing Costcutters signage that will not be changed for the COU.

We seek the formal change of use from A1 to A5 of 335 Milton Road to serve as a hot and cold food takeaway unit. At present Costcutters (337-339) serves hot food such as pasties and pies, as well as cold sandwiches and salads from back of the unit (see photos below).

The COU we seek is to solely benefit Costcutters retail as they now have the need for a larger area to operate the food servery due to local popularity.

In the supporting plans KAD-01-A-COU we have detailed how the extraction unit we are proposing will exit the building and be fixed to the rear portion of wall 337-339 Milton Road, returning to atmosphere nearly 10m from the flats above.

We welcome any comments and suggestions that will progress this application for approval.
