Dear David,

APP/15/01184 Request to Discharge of Condition No/s 26 and 39 of Planning Permission APP/13/00103 (16.10.15). Land adjacent to A3M and West of, Brooklands Road, Havant 15.19416

Thank you for consulting me on this application.

The application is accompanied by a Bat Mitigation letter (The Ecology Co-op, October 2015) which details the bat mitigation measures installed at the site. I am content that these measures are sound and the one amendment is explained well and would not reduce the value of the installed measures.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan

Tristan Norton
