Subject: RE: Land West of Hulbert Road - PA Response APP/20/00441

Hi Lesley,

I would not be able to support any further tree removal other than those shown for removal within the tree survey and tree protection plan. More detail would need to be provided on this if that was the case. There are a number of Ash trees in poor health along the northern section of the Hulbert Road but not all of these trees have been highlighted for removal. I agree that lighting should be suitably located to avoid further tree loss. The woodland to the north is also protected by a woodland TPO.

Thank you and sorry for the delay.
