Dear Sir/Madam,

Construction of 51 dwellings comprising 20 houses and 31 flats with associated landscaping, car parking, bin and cycle storage. at Land at the rear of 2-56, Blendworth Crescent, Havant

Thank you for consulting us on the above planning application. Hampshire County Council as Lead Local Flood Authority has provided comments in relation to the above application as our statutory consultee role in relation to:

- Surface water drainage for major developments

Surface Water Drainage

We have reviewed the following information in relation to the planning application:

- Drainage Strategy Report

The proposals for surface water drainage meet the current standards/best practice in relation to surface water drainage.

Where the proposals are connecting to an existing drainage system it is likely that the authorities responsible for maintaining those systems will have their own design requirements. These requirements will need to be reviewed and agreed as part of any surface water drainage scheme.

Please note that the mechanism for securing long-term maintenance will need to be considered and agreed between the applicant and the Local Planning Authority. This may involve discussions with those adopting and/or maintaining the proposed systems, which could include the Highway Authority,
