Dear Selina,

APP/21/00585 | Proposed ground floor extension on North West elevation, with decking area above and railings, to form a junior training room. | Langstone Sailing Club, Langstone Road, Havant, PO9 1RD 21.0788

Thank you for consulting me on this application.

The proposed works are relatively minor in nature and the only potential ecological impacts will arise from construction noise and visual disturbance. The submitted Construction Environment Management Plan (CEMP) contain sufficient detail to address potential issues arising from the construction period. The measures detailed within the CEMP should be implemented in full.

If you have any queries please dont hesitate to contact me.

Kind regards,

Tristan
