Dear Madam,

**Land off Sinah Lane, Hayling Island**

**Display of 1No. MSM Tri-sign and 2No. flag pole signs.**

Thank you for consulting the Highway Authority on the above planning application.

Due to the location of the proposed signage and flags into the above development, I can confirm that they are set back far enough away from the junction to not block the visibility splays of vehicles exiting the site. Additionally, due to the signage and flags being set back from any footways, they will not cause an obstruction to pedestrians.

Having regard to the above, and providing the applicant places the signage and flags as they are proposed in the documentation, the Highway Authority are satisfied they will not have a detrimental impact on vehicles, pedestrians and cyclists and provide no objections towards this.

Yours faithfully,

Sophie Osborne  
Assistant Transport Planner - Highways Development Planning
