

Existing Site Plan

The image shows a large, empty rectangular box representing the site plan area. The box is defined by a thin black border. At the top edge of the box, there are three small, light gray, semi-circular shapes that look like tabs or handles. Below the main rectangular box, there is a smaller rectangular box attached to the bottom center, also with a thin black border. The entire drawing is on a white background.

**Proposed
Site Plan**

The site plan shows a building layout with a north arrow pointing towards the top right. A scale bar is located at the bottom right, indicating a distance of 100 feet. The building is divided into several sections, with a central section labeled '2' and 'BR101'. The plan also shows a parking area with several spaces, a driveway, and a road. The building has a complex footprint with multiple wings and a central courtyard area.
