Dear Mrs Smith,

Discharge Condition 1 (Archaeological condition) Application 14/00061, Berewood Phase 2, London Road, Waterlooville

Thank you for your recent consultation. I have had a look at the Written Scheme of Investigation (WSI) submitted and I would endorse it to you. I would have no archaeological objection to the discharge of the condition (assuming the planning authority is happy that they can enforce the WSI as submitted post discharge).

Yours sincerely

David Hopkins
