Dear Mrs. McMurray,

EASTLEIGH HOUSE, BARTONS ROAD, HAVANT, PO9 5NA

Thank you for your letter of the 31st October 2016 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposed layout works fairly well, however, in the proposed position there is very little natural surveillance of the cycle store, which increases the vulnerability of the cycle store to crime. Therefore, I recommend that the cycle store is moved much closer to Eastleigh House and is overlooked by one of the offices.

To provide for the safety and security of residents and visitors the lighting within the development should comply with the relevant sections of BS 5489:2013.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
Crime Prevention Design Advisor
