Subject: The Tanneries Brockhampton Lane - Planning Application APP/20/01109

Good morning David,

Apologies for the delay in responding, I have received further information from our Traffic Management team on the 7.5t weight restriction on Brockhampton Road.

I have attached the TRO document to this email, it is my understanding that it is a public document.

There are a number of exceptions / exemptions on the order and they appear to amount to more than just loading. Therefore I would suggest there is little implication to the planning application / highway consultation response already provided.

Many thanks,

Oliver Joyce
