Dear Sir / madam,

Please find below, as requested, details of our operation of business.

Evening Training Classes

We run 12 classes over 4 evenings. Each class has between 4 – 6 dogs with owners, 1 trainer and 1 volunteer. 4 – 8 parking spaces for 45 minutes for each session is required. The car park in the evening is empty.

Saturday Play Day

We run this every Saturday 12 – 5 pm. No real parking is required for the clients as they just drop off their dogs. We have 10 – 12 dogs maximum, 1 employee and 4 volunteers over the whole 5 hours. Only 1 parking space is required.

Day Care

This service is run Monday to Friday 8am till 5.30pm. *No real parking is* required for clients as they just drop off their dogs. We can cater for 10 – 12 dogs maximum. Currently we have 2 dogs a day as we have just started this service. 1 employee and 2 volunteers cover the shifts so only 1 parking space is required.

Yours faithfully,

K Honour
