Dear Miss S Donophy,

APP/21/00521 - 24 Havant Road, Hayling Island, PO11 0PX - RECONSULTATION REQUEST for revised plans and/or documents received - Demolition of conservatory and erection of single storey rear and side extension, with enlargement of front elevation dormer.

Thank you for your re-consultation that is supported by a CEMP report (July 2021).

I can confirm that this justifies and mitigates my colleagues concerns regarding construction impacts to the nearby SPA supporting habitat. If you were minded to grant permission I would recommend that section 4 of the CEMP (July 2021) is conditioned.

Please let me know if you have any queries.

Kind Regards

Rebecca Harvey
