fao Mrs D Haywood

I am writing in response to the planning application for 8 New Lane, Havant. The application is for 39 apartments of which 11 are 2 bedroomed apartments. This suggests a primary pupil yield of approximately 3 or 4 pupils, i.e. less than one pupil per year group. This site sits in the catchment area of Fairfield Infant and Bosmere Junior and these schools are full owing to their out catchment recruitment. Consequently any pupils from this development will, over time, be able to secure a place at these schools as the out catchment pupils are "pushed back" to their catchment schools. Consequently I will not be seeking a developer contribution from this site for educational facilities.

Regards,  
Martin Shefferd
