

Dear Daphney,

APP/15/01212 | Display of 5No. externally illuminated fascia signs and 1No. internally illuminated fascia sign. | Plot 2, B8 Warehouse Unit, Dunsbury Hill Farm, Park Lane, Cowplain, Waterlooville 16.0081

Thank you for consulting me on this application. Overall, I would not raise any issues. The proposed signage is lit but this is very low intensity and would not pose issues with impacts to ecological receptors.

I trust the above is suitable - if you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
