Dear Sir,

110 Southleigh Road, Havant, PO9 2PS

Proposed first floor rear extension and new attached double garage. Altered vehicle access to property. (Resubmission).

Thank you for reconsulting the Highway Authority on the above application.

It is noted that a new site plan has been submitted which details the location of two parking spaces on-site. In their capacity as local parking authority, Havant Borough Council should determine whether this is suitable against adopted parking standards.

The latest plan does not provide any further details to address the comments raised in the Highway Authority's previous response regarding the proximity of the new access to the existing dropped kerb. Any potential interaction with the existing dropped kerb should be shown on a plan to understand the combined width of the access.

Yours sincerely,

Chris Hirst
