Dear Madam,

19 London Road, Widley, Waterlooville, PO7 5AS

Change of use of ancillary storage building to coffee shop.

Thank you for consulting the Highway Authority on the above planning application.

The applicant is seeking planning permission for the implementation of a new coffee shop within a storage area currently used by the car wash.

The applicant has not indicated how many additional trips the proposed coffee shop would generate in the peak hours. A plan should also be provided which demonstrates the location of the 3 car parking spaces to confirm that there is suitable space on-site to accommodate the facilities. In their capacity as local parking authority, Havant Borough Council should determine whether the proposed quantum of parking meets adopted standards.

The Highway Authority requires the information requested above before a recommendation can be made on the planning application.

Yours sincerely,

Chris Hirst
