Materials of construction to match existing

Architectural elevation drawing of a building facade. The drawing includes a scale bar at the bottom right, ranging from 0 to 5 meters. The facade features a series of windows and doors, including a large double door labeled 'Main entrance' and a smaller door labeled 'Side entrance'. A sign above the main entrance reads 'The Green House' and '123 Main Street, London, UK'. The drawing also shows a 'Rear window & door' and a 'Front window & door'. The building is labeled 'Veloc hanging roof lights' and 'Foot tiles dark grey concrete'.
