LEGEND

This design is based on the information supplied and should always be read in conjunction with that information. All luminance values are the result of calculations based upon the precise positioning of luminaires in a fixed relationship within the proposed environment. Any variation to the lighting design layout and the environment to be lit may affect the calculated light levels. This design and associated specifications is subject to Conditions of Sale of Litetask Limited.

DESIGN APPROVAL

It is the responsibility of the customer to confirm their approval that this design & specification meets with their performance criteria. I confirm acceptance of this design on that basis
