Dear Lewis,

**RE-PROPOSED LIDL FOODSTORE, LAND TO THE WEST OF B&Q, PURBROOK WAY, HAVANT
PLANNING APPLICATION NUMBER APP/20/01221**

I write in my capacity as Regional Head of Property for Lidl GB.

I am responsible for all new store acquisition and construction as well as the maintenance of our existing portfolio for the central southern part of the Country including Havant and Waterlooville.

I understand that as part of the consideration of our application proposals above the Local Authority are keen to understand if these proposals would have any effect on our other trading locations or our local strategy. I can confirm that this new scheme is an additional store (approved by our Board as such) and is intended to supplement and compliment our existing trading locations.

There is no intention to close any of our stores locally including our store in Leigh Park which will remain the key anchor to the district centre.

I trust this confirmation is sufficient for your purposes and hope for a positive determination of the application in the near future.

Yours faithfully,

James Mitchell
Regional Head of Property
Lidl Great Britain Limited
