

PROPOSED EXTENSION TO COMMERCIAL UNIT, 20A ASTON RD, WATERLOOVILLE

TRAVEL PLAN

The site is adjacent to the main A3 road with good bus services to Portsmouth, Havant, Petersfield and other nearby towns.

There are 14 proposed car parking spaces on the site and 10 full time employees and 2 part time envisaged.

Car sharing will be actively encouraged along with cycling and bus use.

Cycle storage will be provided inside the proposed extension under cover and with "Sheffield Hoops" or equivalent provided for security. Two of the front parking spaces can easily be adapted for disabled use if necessary.

SERVICING

The site will be serviced for deliveries by delivery vehicles reversing off of Aston road and through the roller shutter door and exiting by driving forwards onto Aston road. A banksman will be in attendance during these operations.

Waste and recycling will be stored in separate wheeled bins inside the proposed extension for collection by licensed vehicles/operators.

CAR PARK USE

The car park will be entered in forward motion from the Aston road, in line parking is provided and two no car turntables so they can turn around and exit forwards.
