

13, Eastoke Ave,
Hayling Island,
Hants, PO11 9Q
21/03/15.

APP/15/00911.

Dear Sir/Madam,

Further to my conversation with David Eaves on Friday 19th March in regard of the "Discharge of condition" a meeting the need of how the landscape will look, I have attached a plan showing (in green) where the peashingle will ~~be~~ laid, bricks that will border it, along with cement retainers. Below are the specifications:

Earth will be dug to a depth of.	- 400 ml.
Hardcore	- 200 ml.
Scalplings	- 150 ml.
Peashingle (10 mm)	- 50 ml.

The entrance to the property will have approx 300 ml of bricks laid to retain the peashingle on the property. I have supplied a sample of 10 ml peashingle & a picture of entrance retainers.

Regards,

M. Swales, P.T.O

Previously supplied was:

Roof tile - Marley modern (grey).
brick - Staffordshire blues.

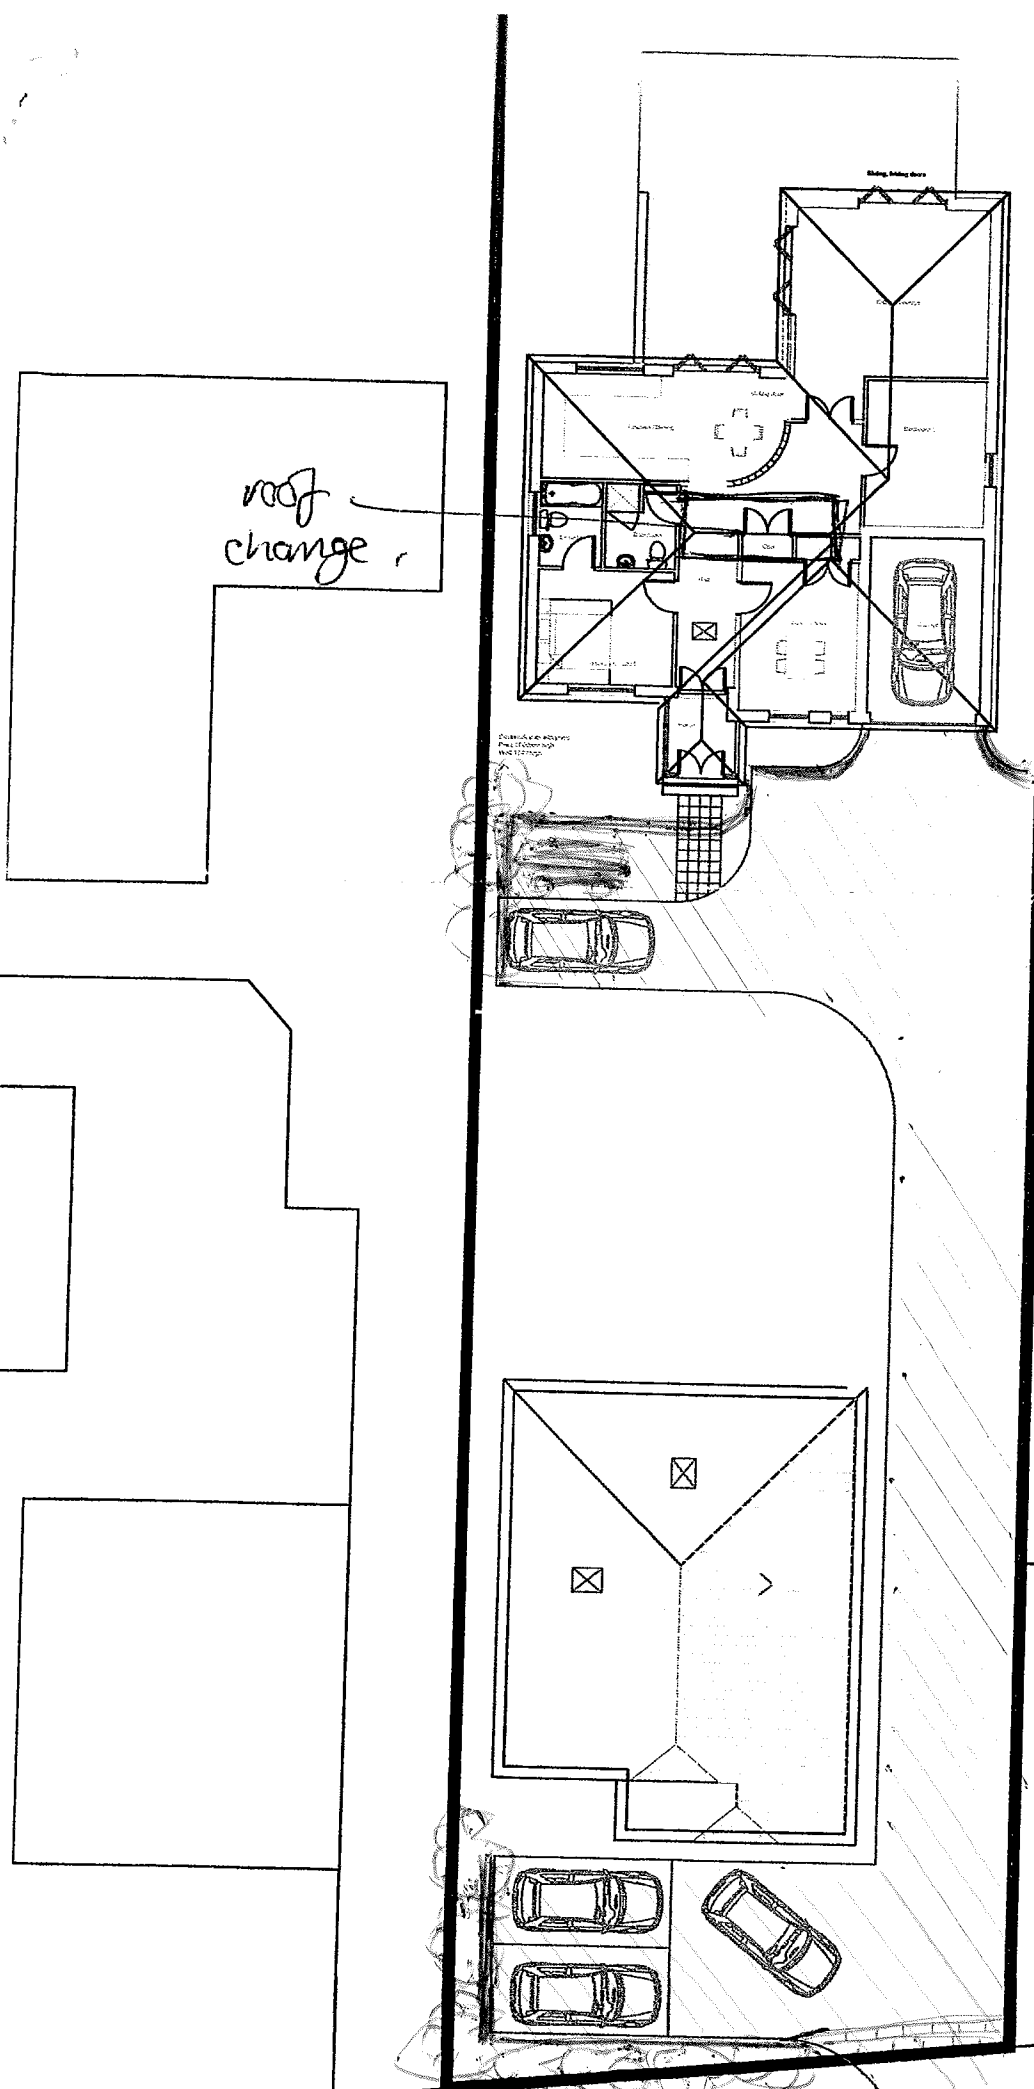

Feature
round
windows - Beach (not supplied).

Added note:

I confirm that the ~~existing~~ ground level that will be used is the same as both neighbours & existing building on the plot at present. The overall height is 522 as passed by you.

Regards

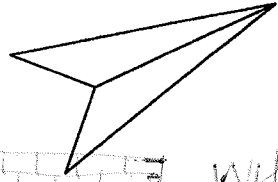

John Swales.
