With reference to above consent, please find attached our submission in relation to condition 6. It is for this purpose that we are seeking clearance of this condition ahead of other pre commencement issues.

Condition 6 - No development shall take place, including any works of demolition, until a Construction Environmental Management Plan has been submitted to, and approved in writing by, the local planning authority. Thereafter all works shall be carried out in accordance with the approved Statement throughout the construction period.

The Statement shall provide for:

As Havant are the lead authority on this consent, we are sending the submission to yourself, and copying the letter and attachment to East Hants District Council, I trust this is acceptable.
