Comment Reasons:

Comment: My worry is that there is no parking. And if they are going to attract the watersport industry, they will be having cars, vans, campers, with their boards and sails.

So they will need somewhere to park.

We have been having a problem with parking outside our house for years since the council put a charge on the Carpark. And Hollow lane seems to be getting worse.

I don't stand alone with the parking outside our bungalows. There are a lot of elderly people round our estate. We bought our bungalow because of it being a nice, quite, private, safe place to live.

But not anymore. Every day there are cars parked outside because they don't want to pay Carpark charges. Even with the 20 min bays we still get cars parking round the estate.

And it's not just for half an hour but all day, and days.
