Dear Sir/Madam,

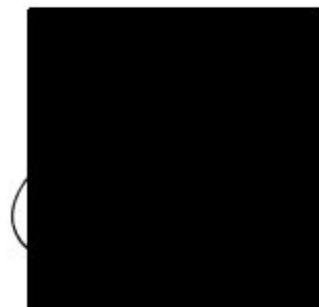

**Variation of Condition 10 to Planning Permission APP/12/00718
Former site of 20 The Crescent, Waterlooville, Hampshire PO7 5EU**

I refer to the attached application submitted to the Council via the online planning portal under the portal reference PP-04344071.

This application includes further variations to the drawings and documents to reflect changes in the as-built development with respect to building and site levels, hard landscaping materials and layout and amended proposals for soft landscaping.

As a result of raised drive levels to Plot 2, the application includes proposals for the adaptation of the existing adjoining front boundary fence to No. 22 The Crescent and the construction of a low retaining wall within the ownership of No. 22. As a consequence, Certificate B has been completed and Notice has been served on the owners of No. 22, Mr & Mrs Lodge. A drawing of the proposed retaining wall was also attached with the Notice for the sake of expediency.

Yours faithfully,

J DOUGLAS RIBA
